Hosting Packages and Services

Simple Website Hosting Package -- **\$5.00 /month or \$100/2 years (save \$20)**

This package is for someone with a personal website, like an artist portfolio or family site. The bandwidth should be small as well as the site. These sites are generally up to 15 pages in size and built with html/css. [Sign up for the simple hosting package.](#)

Silver Website Hosting Package -- **\$15.00 /month or \$170/year (save \$10)**

This package is for small business websites built with html, xhtml, css, and generally require a smaller amount of bandwidth. These sites are generally up to 30 pages in size. [Contact us to sign up for the silver hosting package.](#)

Gold Website Hosting Package -- **\$20.00 /month or \$200/year (save \$40)**

This package is for medium sized business or personal websites. These websites can be eCommerce websites that have a little bit more complicated back-end such as CMS capabilities. They also can be larger in size, bandwidth, and average visitor usage. [Sign up for the Gold hosting package.](#)

Platinum Website Hosting Package -- **\$50.00/month or \$500/year (save \$100)**

This package can have it's own dedicated servers, unlimited pages and additional websites on the same hosting plan. With this hosting plan you get your first domain name FREE. [Contact us to sign up for the Platinum hosting package.](#)

Each plan includes a one-time setup fee of \$25.00. The one time fee is waved with a purchase of any plan for two years or more.
